RE: Final Audited Financial Report for the County of Wise

Dear Ms. Mavredes,

Due to unforeseen circumstances, the County of Wise will not be submitting the Comparative Report Transmittal Form or the audited financial statements for the County of Wise on or before December 15, 2022. The draft of the financial statements has been completed by our auditors, but we are awaiting final audited financial statements from component units for inclusion with the County's report. We hope to be able to submit in January 2023.

Sincerely,

Michael W. Hatfield
Wise County Administrator
